CITYWIDE VANDALISMS

During the late hours of 12/21 and the early hours of 12/22, unknown suspects moved throughout the City and vandalized approximately 50 vehicles by shooting the windows with a BB gun or something similar. The general area of involvement stretches from the 2700 block of South Main Street all the way to the 3000 block of North Main Street and then west throughout the central section of the City. We are asking citizens and business partners who own video security systems to review the footage between the hours of 11:30 pm on 12/21 until 6:00 am on 12/22 looking for potential suspect information. We are investigating a possible suspect vehicle described as a dark colored small extended cab pickup truck.

Anyone with information or video footage, please contact the High Point Police Department at 336-883-3224 or Crimestoppers at 336-889-4000.

There is no additional information to report at this time.
